

## suggested safety tips for shopping

- Note your parking location.
- Remember to lock your car.
- If you're shopping with family or friends, prearrange a place and a time to meet.
- Never leave children unattended. If your child wanders away, visit the Customer Service Center or mall management office for assistance.
- Teach your children their full name....as well as yours.
- Carry a current photo of your child with you.
- Don't leave packages or other personal property unattended.
- Guard your handbag, wallet and credit cards...don't flash your cash.
- Always have keys in hand before you reach your car.
- Check your car from a distance to make sure no one is loitering near it.
- Always lock car doors as soon as you get inside.
- Always be aware of your surroundings.
- If you notice anything suspicious, report it to mall security.
- Never hesitate to ask for assistance.
